

Nutritious Soups.

The old style of making soups by slicing vegetables for an hour and bending over a hot fire has been relegated to the "has-beens," and to-day up-to-date people buy the prepared soups, which are unequalled for purity and cost about half as much.

The most famous are, Campbell's condensed Soups, put up in tins—Try a can, each 10 cents. Ox Tail, Tomato, Jullienon, Consomme, Chicken, Chicken Gumbo, Mock Turtle.

MILL WILL BE REBUILT. President Sam Park, of the Industrial Lumber Co., returned from Calhoun last night, where he went Sunday night to investigate the damage done by the conflagration Sunday afternoon. Mr. Park says that the actual loss on the mill, taking into consideration the cost of the time it was built, is \$7,100 and the mill could not be built near so cheap now. Mr. Park estimates that the loss to the Industrial Lumber Co. in the lumber business is not far from \$150,000. The company had orders ahead to keep them busy until June 1st, and the fire naturally disarranges their business, causing heavy losses, no matter how soon the mill can be rebuilt. It is quite certain that the mill will be rebuilt, but whether it will be done by Mr. Adams or the Industrial Lumber company has not been decided. Under the unfavorable conditions that prevail now the mill cannot be replaced in less than six months time and it may take longer than that. In the mean time the mills at Silsbee and Caraway will be run to their utmost capacity. The mill at Silsbee has a capacity of about 75,000 feet shafts and Mr. Park thought that it could be doubled, at least the effort will be made. In addition to the loss of the mill, lumber and dry kilns, twenty-four cars were destroyed, valued at about \$1,000. The origin of the fire is still a mystery and though it is believed that it was the result of an accident, people were coming and going through the mill all day and the men were at work directly under the point where the fire started. The colored woman who cooks for Mr. Adams had gone

LIGHT GUARD.

A meeting of the Beaumont Light Guard is called for 8:30 this evening at the armory on Pearl street (the old Masonic hall). E. J. BLAINE Captain
